

Neighborhood Home Program

Non-substantial Modification (Adopted September 30, 2011)

On October 29, 2010, the Mississippi Development Authority ("MDA") amended its Long Term Workforce Housing Action Plan ("LTWH"). In Amendment 6, Modification #3 ("the Amendment"), MDA created the Neighborhood Home Program ("NHP") to provide for home repair, rehabilitation, and reconstruction for those eligible households which have previously unmet Katrina related housing needs, as more fully outlined in the Amendment.

A total of \$132,863,767 was designated for NHP, of which \$30 million was dedicated from previously awarded LTWH sub-recipients, consisting of \$20 million from the Mississippi Emergency Management Agency's ("MEMA") "Mississippi Alternative Housing Pilot Program" and \$10 million from the Pearl River Valley Opportunity ("PRVO") housing and repair project. Since the adoption of the Amendment, MDA has identified additional sub-recipients who have served or are serving NHP applicants. Based upon this, an additional amount of \$13,683,246.00 from LTWH funds being provided to International Relief Development ("IRD"), Gulf Coast Community Foundation ("GCCF"), and Hope Development Agency ("HOPE") will now be dedicated to NHP, resulting in the amount of LTWH funds being allocated to NHP increasing from \$30 million to \$43,683,246.27. The agencies and revised allocations are as follows:

<u>Agency</u>	<u>Original</u>	<u>Revised</u>
MEMA	\$20,000,000.00	\$20,000,000.00
HOPE	N/A	\$ 1,320,734.00
IRD	N/A	\$ 2,042,832.27
PRVO	\$10,000,000.00	\$7,540,800.00
GCCF	N/A	\$12,778,880.00
Total	\$ 30,000,000.00	\$43,683,246.27

All NHP applicants and costs associated with LTWH sub-recipients will be tracked and reported separately in the Disaster Recovery Grants System.

This dedication of additional LTWH funds does not add or delete any activities from the existing action plans nor does it change any of the planned beneficiaries of any of those activities. Therefore, this modification is a non-substantial amendment to the action plans and is effective immediately upon transmittal to the U.S. Department of Housing and Urban Development. See Common Waivers for the Katrina CDBG Grantees (71 FR 7666, 73 FR 46312).
