

Small Rental Assistance Program
Technical Modification Number 02

This modification clarifies CDBG Disaster Recovery Action Plan Amendment 1.

The five per cent statutory administrative cap applies to the overall administration of CDBG grant proceeds and does not apply to an individual program. The Small Rental Partial Action Plan, approved on June 26, 2007, reads, on page 2, second paragraph, last sentence as follows:

“Of the total \$262.5 million proposed for this program, no more than \$12.5 million will be spent on MDA administrative costs.”

This section, which is specific to an individual program, is deleted.
